1. Air and Water Free Decal

Requirements: Service stations must provide air and water, free of charge, to their customers who purchase motor vehicle fuel. Service stations are required to post at least one clearly visible sign, in a conspicuous place, at or near the air and water dispensing equipment by January 1, 2000.

CALIFORNIA LAW REQUIRES THIS STATION TO PROVIDE FREE AIR AND WATER FOR AUTOMOTIVE PURPOSES TO ITS CUSTOMERS WHO PURCHASE MOTOR VEHICLE FUEL. IF YOU HAVE A COMPLAINT NOTIFY THE STATION ATTENDANT AND/OR CALL THIS TOLL-FREE TELEPHONE NUMBER: 1 (800) 356-7057.

MOUNTING SUGGESTIONS: Decals should be placed on a nonporous material. Smooth plastic, metal, or aluminum are good choices. Do Not place decal on a textured surface as decal will have a tendency to peel. If you use wood make sure the surface is sealed and painted so the wood cannot breath.

Note: Decal is made of exterior grade vinyl and laminated. Size is 15" X 13".
