1. Air and Water Free Decal

Requirements: Service stations must provide air and water, free of charge, to their customers who purchase motor vehicle fuel. Service stations are required to post at least one clearly visible sign, in a conspicuous place, at or near the air and water dispensing equipment by January 1, 2000.

CALIFORNIA LAW REQUIRES
THIS STATION TO PROVIDE
FREE AIR AND WATER FOR
AUTOMOTIVE PURPOSES
TO ITS CUSTOMERS WHO
PURCHASE MOTOR VEHICLE
FUEL. IF YOU HAVE A
COMPLAINT NOTIFY THE
STATION ATTENDANT
AND/OR CALL THIS
TOLL-FREE TELEPHONE
NUMBER: 1 (800) 356-7057.

MOUNTING SUGGESTIONS: Decals should be placed on a nonporous material. Smooth plastic, metal, or aluminum are good choices. Do Not place decal on a textured surface as decal will have a tendency to peel. If you use wood make sure the surface is sealed and painted so the wood cannot breath.

Note: Decal is made of exterior grade vinyl and laminated. Size is 15" X 13".

2. Disabled Fueling Assistance Decals or Signs

4. "CARB Certified Fuel" Decals

CIOMA Services (CSI) is offering for sale informational decals related to MTBE content in California fuels. These decals are not required under the recent CARB labeling regulations, nor are they a substitute for the required decals. However, they may help customers who have questions about CARB-certified fuels. Use your own discretion as to the placement of the decal, in accord with any restrictions from your supplier or the station owner.
